Me

- Spent ~10 years in the business of super-secret data
- Now for almost 10 years an advocate for Open Data
- Co-founder of the Public Knowledge Workshop
  הסדנא לידע ציבורי
- Lead Engineer for Open Knowledge International
- Author of the Fiscal Data Package specification

The BudgetKey Project

- Running over **8 years**
- Collects data from and about the **Israeli Government**
  - **Budgeting**
    (how money is allocated)
  - **Spending**
    (how money is being spent)
- **Recipients**
  (who gets the money)

We've built the
most comprehensive
fiscal database about Israel

next.obudget.org

מפתח התקציב
